Dear Mr. Szupper,

Sorry about the delay in answering your letter of the 4th.

At the moment I cannot give you a definite answer. I know I cannot the first two dates you give because of other commitments. The problem is there is more to do than I can find time for, and I've a third book in the works, due the end of next month and it is already behind schedule.

Perhaps the most practicalx suggestion I can make is that I can write you as soon as the load eases. Until then, can you pleas let me know the honorarium you pay?

Sincerely yours,

Harold Weisberg
